“ I was 14 when I Met Nancy I was one of the gang that hung in Roys then later I worked with her at Roy’s. She was kind, funny and always laughing at one of us silly kids that hung in Roy’s. Roys was a family restaurant(you had to hang there to understand what I mean) and she was part of that family. She will be sadly missed but never forgotten.

“ My prayers go out to her family during this time. She was a very good friend of my grandmothers. Such an easy going person. I remember ever since I was a little girl she was the only one who would ever make my cheesesteaks just the way I liked them and my breakfast. She will be missed!
