Sweet, sweet memories for Nancy's family. We must all take a lesson from this. It truly is the small, family things that matter most! I met Nancy at Harrison Jr High in 1956. Those growing up years made up who we were. God Bless!

“ She was my Dear, Dear Friend and was like my sister. Nancy and I worked together at Elkland High School for many years. She loved bringing in baked goods for the Faculty and Staff and was noted for her famous Whoopy Pie cookies. Nancy, loved hosting after school get togethers at her home and was so loved by her school family. We attended many Union meetings and always found time for some shopping! She loved her shopping. After one of our meetings Nancy called a restaurant for dinner reservations and when we got there they didn't have our reservation and she realized she called the wrong restaurant. We laughed all night!

Nancy was very talented writing poems and I was blessed when she wrote a poem about my sister when she passed and put it in a frame for me. Every year she wrote one for the graduating class. She sure was talented!

We sure had lots of good times and laughs!

God sure has received a very special ANGEL!!!!

Thoughts and Prayers for her family,
Jean Kohut
