“ So sad to hear of Naomi's passing. I only recently met Naomi in the final stage of her life, as she and my mom were room mates at MV since July. Naomi really impressed me that even though she had many limitations in mobility, she still didn't let that stop her. The crafts that she made were beautiful, and more importantly she was still contributing and making the world a better place. Her angel tree in the MV tree competition justifiably won first place; it was stunning. I hope I will always remember what Naomi taught me - use what you have to contribute. What a lesson for all of us! I'm sure this is just a small fraction of who she was a mom, grandmom, sister, etc.; I wish I met her many years ago but am thankful for the slice of life that our paths crossed!
Your family will be in my thoughts and prayers. XXX000

“ I loved this family so much and called her every day. She had a very big heart and always welcomed anyone to eat . The best cook around and loved to share. We had so many memories and I will be very sad for a long time ..Glad she was ready to go and join her family in the sky. Amazing God sung by Triumphant Qt. is my song to get through this sad time.

Naomi and I were born 5 days apart and we celebrated our birthdays together when we were young. I worked with Ruth Ann at Pediatrics at City Hospital. My Dad drove the school bus that Naomi and her siblings rode to school. So sorry to read of her passing. I'm sure you have many memories to help you get through this sad time.
