“ My heartfelt sympathy to all of Nick's family. He was such a special man. He would always reach out with his warm smile and a "how are you honey"? I know what a hole his passing will leave in your hearts but know that he will always be with you and in time all you will remember will be the good things. I am lucky because ALL my memories of Nick are good ones. God Bless you all and may you find peace knowing how very much he loved you all.

“ Mrs. Georgelis and John, While I feel absolutely helpless as I would so much want to be there for Nick's Mass on Thursday, my return from Arizona from my daughter's orientation at college will not be until Friday! I will always remember his weekly (daily) matches with, Fred F., Fred L., Fred W., and Galen. Also, my fondest memories and although I never really socialized with Nick other than after a round of golf, I felt as if I could always call him my friend. I believe as you said, no one was a stranger to him and that is what drew me in to his kindness and appealing demeanor. I believe he loved and lived life to the fullest and for that, I am sure you are grateful! He is in the hands of the Lord and now reaping the benefits of his dedication. I pray for you, John and his family today and that my staff and family supports you during this time. If you need anything after my return, please let me know. Sincerely, Steve Kreamer

“ Nick was a truly Special friend who will continue to be remembered -especially because we joked once a year that our birthdays were a day apart. Always had a kind word and wanted to know how your family and especially the "grandchildren" were doing. I'll miss him.
