“ I worked with Norma for many years, she will always be remembered as a very special person and dedicated to the nursing profession. She was very outgoing and even when very busy had a sense of humor. I will not forget the days at Wernersville but since my driving in winter weather was not the best, thank you for the transportation-you definitely were the better driver. Last-you made the best fudge, my sons looked forward to it. My sympathy to your family. Rest in peace Norma.
