“ I was so saddened to hear of sweet Nova's passing. She was a beautiful baby girl! I loved taking care of her when she was in the NICU. She was a lucky little baby to have such a loving family. Heaven has a new beautiful angel. My sincere sympathy is with your family.

Love,
Sue Kramer (NICU Nurse)

“ Nova was an amazing person. She was observant and joyful and funny. She was unique because she clearly took so much pleasure out of watching the people and the world around her. Nova nearly always smiled at whoever walked into the room - I hope we can all carry a little bit of Nova with us and spread love and joy like she did.
