“ I was just talking to a friend reminiscing about gym class and I was remembering my two gym teachers a Mrs. Reich and a Miss Horst from CedarCrest Middle School. Obviously not knowing that she had passed and seeing her obituary, sad and to me I just want her family to know that I never forgot about her. She was one of the best gym teachers I've ever had in my life she always greeted you with a smile. She was always so friendly And she always pushed us letting us know that we could succeed in anything that we put our minds to so I'm glad I can at least post this message so you know that she has not been forgotten and that she is remembered and I was blessed to have her as a gym teacher for three years. May she rest in peace.

“ Dear Reich Family I am sorry about the lost of your mother. She was a very loving person,ready to give to anyone in need. I am so glad I got to know her and had her as a gym teacher and neighbor in Cleona. We had a lot of fun with some of the games your mom taught us in the neighborhood, the one that comes to my mind now was kick the can. We had so much fun. May God bless your family in this time of need. Love Cheryl Rishell (Blouch)
