“ I am extremely saddened to hear of Pat's passing. She and her parents were like a second family to me. I spent as much of my childhood at her house as I did my own. Picnics at Colemans Park, trips to Atlantic City, riding bike with her dog Tiny in the basket - the memories bring back the joys of my childhood. I could not have asked for a better friend to share those precious years.

Mary, I thought of you and wondered where you are and how you are doing. I wanted to reach out but I didn't know how. You were very loved by our family and my mom.

“ Patty and Linda were neighbors of mine growing up, I have lots of good memories of us playing together. Praying that all of your memories help you through these difficult times, and that God be with you,
