“ *Condolences to the entire family. Paul was always a pleasure to talk to while checking cows in the barn. He liked to talk about his chickens and would always ask how my ducks and geese were doing. If he came in the barn when we were doing surgery on a cow he would exclaim "Another twist!?"*

“ Paul always had a smile on his face and exuded a positive attitude. While working on his farm, I enjoyed listening to his stories of his early days, the history of farming in Lebanon county & his experiences during the Korean War. My deepest sympathies to the Maulfair family.

“ I will miss him and his "stories". I always enjoyed visiting with Paul & Marian and especially enjoyed his stories. They were both very caring persons and always willing to help in anyway they could. Their hearts and doors were always open to you. My condolences go out to all of the family.
