Born in Hershey on October 30, 1948, he was the son of the late Paul R., Sr., and Winifred Gordon Perini. Paul enjoyed hunting, especially archery. He also loved going to his cabin in Tioga Co. and spending time with his family. He was always willing to help anyone in need.

My condolences to your family, and for a time I considered you guys my family ...and Paul will hold a special place in my heart always...  
Paul was always nice to me and gave out great advice on many things about life when I was an impressionable young man, from going hunting or shooting bow and arrow to which he was very good at, he was as close to a second dad that I could ever ask for. I will miss him as I know you guys will even more, till we see each on the other side... Rest In Peace my friend. Danny*

“ I always enjoyed talking to Paul. He was an interesting guy. He texted me often to find out how i was doing with some of my health problems. I really appreciated that he cared enough to contact me. Wish we could have gotten together to share a beer, Paul.
