“ Please accept my condolences on the home-going of Sister Peggy. She indeed was promoted to glory! I would have been with you today at the memorial service but I had a biopsy done in the hospital and hence my absence. You will hear from me in the days ahead. My prayers are with you. Prayerfully, Dr. Phill Carlos Archbold

“ Words cannot come close to expressing our family's feelings with the loss of Peggy. Our memories of her will always be cherished. I'm fairly certain Sue was the first to give her a 'Welcome Home' hug!
