“ IT was an honor and a privilege to have called Penny my friend. I was humbled to have been welcomed by her husband and family into their home. Penny was there for me when I lost my Wife several years ago. Penny was a very loving person who stood by her friends. I will miss her deeply.

“ With our deepest sympathies to Witold, Marek & Jan. We lost our
great neighbour on Fieldfare. Fondest memories are following our
sons down the road on their first day at elementary school, with tears
in our eyes.

“ Witold, Marek, and Jan, I will always remember walking up the path
from the Malicki to the Rybka cottage hearing the laughter and
music floating in the air. Penny was the life of Cawaja Beach and
she will remain in my memory as the spunky woman who wanted to
know everything that was going on, especially in regards to the
romantic tales of the cottage crew. I will miss you dearly Penny.
Thank you for always having that sparkle in your eye and zest for
life. Love Cipcia/Adrianna
