“ Our family would like to send our sincere condolences to the entire Hostetter family after the passing of Penrose.

*Penrose was a big part of my life starting as a very young man attending the Belle Grove United Methodist Church. As a teenager I remember the years of working on the Hostetter farm and I remember the many conversations and guiding encouragements from Penrose. Penrose was a friend, mentor, and father figure for many years to me well into entering into marriage and raising my own family.*

*Penrose and Caroline were two very special people and heaven is much brighter with the two of them there together now.*

“ My family and I send our sincerest condolences to all the family. I have fond memories of my Great Uncle Penn. Every time I would see him or talk with him at a Hostetter Reunion or another family gathering, he would Always have a smile on his face. He also reminded me a lot of my grandpa Lloyd in his personality.
