“ I was saddened to hear about Randy's passing. I was a friend and classmate of Randy's since early days at St. Mary's School. I always thought of him because our birthdays were two days apart and we both started school at age 4. He was always nice to me and I never had anything bad to say about him. Sadly, I only saw him at class reunions to catch up and talk. My condolences to all his family and friends.
