“ We remember Rebecca since she went to the same school our sons did and attended our church at Strausstown years ago. I taught her in Sunday School and she was one of my friends on Facebook. We are deeply saddened at her sudden death. She was as old as our middle son. Please accept our deepest sympathy on your great loss.

“ *Rebecca was the very best daughter ever. She was my baby, after two brothers. But then when she grew up she was my best friend. We talked and shared every day. We shopped and planned for holidays. She adored her family and she was a loyal friend. I can't imagine life without her. I'm going to miss hearing her say "I love you mom."*

“ I got so lucky to have a great and loving mom throughout my lifetime. She was always there helping me figure out the life journey of being a kid into an adult (young adults.) Very glad even tho your not here in person, that you'll always be with me in spirit watching over me from Haven.

“ *Rebecca was the sweetest and most patient person I have ever had the pleasure of knowing. She was an amazing teacher and partner with our ESL students. All our students loved her and learned so much from her. She was an amazing friend. I loved our lunches together at work and looked forward to them each week. I am thankful that we have hope to meet again one day. Love, Heidi Messner*

“ *Rebecca was one of the nicest woman I've ever met. I had the privilege of being baby sat by her when I was a young kid with my two brothers and she always exemplified kindness and patience. The true definition of a great mother, wife, and friend. She will be greatly missed by my family, and we send all of our love.*

“ Rebecca and I attended youth group years ago at Strausstown Evangelical Free Church. She was 2 years younger than me and I always remembered her to be very quiet and shy back then. As life can often times interfere with friendships, we didn't really keep in touch once I graduated highschool. It was only till about 4 years ago that we reconnected through mutual friends at a campsite sitting around a roaring campfire and sharing stories. Looking back it was kinda funny but neither of us recognized each other right away until after a few camping trips and conversations. Rebecca started recognizing some of my families names and she asked more questions until we both realized we knew each other all along! We instantly reconnected and shared old memories and made some new! Rebecca had a genuine love for her Heavenly Father and a deep, committed love for her family and close friends. I am so very thankful we reconnected over the last few years! Her smile, gentle spirit, encouragement, shared prayers and friendship will truly be missed! Our prayers are with you Chris, Brandon, Sabrina and family 🙏

“ *Rebecca was an amazing and special friend! I met Rebecca working with her at the Dollar General. We instantly became great friends! Laura, Rebecca and I had many fun adventures together! I will cherish the memories always! I might of only known Rebecca for about 3 years but it's not who you have known the longest that matters it's the ones that come into your life even if for a short time and make the most impact and difference in your life and Rebecca did that for me she was a cherished friend who impacted my life in many positive ways! I will miss her deeply! Until we meet again my friend and I know we will. I'll love ya always*
