“ Jenna and Lauren (and family), I was very sad to hear your mother had passed away. She was someone I really had great respect and fondness for. I will always appreciate her contribution to the YMCA swim team especially with the 8/u swimmers and the Mini-Team. She did such a good job of teaching these future competitive swimmers the foundational skills needed. After I left the YMCA, she coached with me one more in 2009-2010 for the Falcon's age group team (Cedar Crest). We had a good time. Anytime I would run into her she had a big hug and a smile waiting! God bless her soul.
