“ Aunt Regina was a treasure to us all and her light will be missed, surely, by her family and so many whose lives she touched. One special memory I have is that she was a Sweet Adeline....as was my late Mom and was I as well. I just know that they “ Harmonized the World” down here on Earth and are surely doing the same in Paradise.

*Rest easy, Aunt Regina* ❤️

“ Regina meant the world to me, she was my mentor, my dear friend and my adopted Big Sister. She gave me spiritual guidance, advise and wisdom on how to live my life. I learned so much from her and I will miss her dearly. When asked what she wanted to be remember for she said, all I want is for people to say I made them smile. I know I can say without a doubt she always made me smile. Love you dear friend and beautiful lady.
