“ It was heartbreaking to receive the news of Rich's passing. Rich and I were coworkers at Thomas Jefferson University Hospital Imaging Center for years. He was a wonderful, kindhearted man who loved to make us laugh. He loved his family and shared many wonderful stories about them with me. I have regret that I didn't keep in touch with him more. There were so many times I wanted to call and check up on him and his family but life just got in the way. Rich, I hope you know that I love you and will miss you dearly. You were a true friend and a beautiful soul! I feel privileged to have known you and I am so grateful that I had that time with you. That was my favorite job because I got spend my days with you and Juliel. All the games, food, and fun. Such good memories that I will hold onto forever.

I'm glad you are at peace and not suffering any longer. I know you are with the Lord but the world lost an amazing person. ❤️

Prayers for Joyce, Erik, and Heather 🙏

He loved you all so much!

“ I worked with Rich at Wilbur Chocolate many years ago, Rich was all ways a happy go lucky kind of guy, at that time we worked 3rd shift and after work we would hit some of our favorite fishing holes during trout season, Rich was a very knowledgeable maintenance technician at Wilbur Chocolate and I enjoyed working with him. Keeping Rich's family and friends in my thoughts and prayers during this sad and difficult time. Sincerely Paul Mays

I am so sorry to see Rich has left this earth! I worked with him while he was a student & I was an MRI Technologist at Crooked Oak , MRI Grp. He was so kind & gentle but we had many laughs! About 2 yrs ago I ran into him & his wife Joyce at Quentin Tavern. I remember he was having heart tests very soon. We took pics there & shared the good ole days! Rest in peace Rich! You were a great soldier of God also! 🙏❤️
🙏. I will pray for Joyce & the family.
