“ Rick was an excellent ride leader for the Harrisburg Bike Club. He was very diplomatic. He always sought everyone’s input into the rides and the schedule for riding. He was so dedicated to his family and to his daughter. We will surely miss him dearly. May God bless his family and friends as we mourn his passing.

“ Rick always led such well-planned, interesting C-/D+ rides (even though his skill level was well above that) complete with loops so that a rider could opt out if necessary. He also wrote ride reports that made an absentee feel as if they had been there. It takes a lot of time to plan good rides and write good reports. I am grateful for Rick’s generosity, leadership, good company and sorry not to ride with him anymore.
