“ I want to give Richard's family my deepest sympathies in this hard time. I never met him, but I felt I should come forth after learning of his death. I am a great grandson of Helen Geistwite Paul, sister of Richard's father, Theodore. Unfortunately, our families lost touch many years ago. We wanted to know how Theodore's children were doing, but didn't know of their whereabouts. If you ever want to get in touch, send me an email. I've compiled the family tree for our Geistwite family.
