

Richard L. "Rich" Kreiser

November 26, 1965 - October 10, 2024

Richard L. "Rich" Kreiser, 58, of Lebanon, passed away on Thursday, October 10, 2024, at his home. He was the husband of Ann M. (Foster) Kreiser.

Born in Lebanon on November 26, 1965, following the death of his father at an early age, he was raised by his grandparents Lester and Helen Kreiser. He was a graduate of Lebanon High School with the Class of 1983. Rich worked as a salesman for Miller & Bixler. He was an avid car enthusiast, and speed was his middle name. He had an infectious smile and a crazy sense of humor. His habit of getting pulled over was non-stop. He had a love for food and insisted that he was going to pass out if not fed. He loved all animals, and they loved him, including turkeys. Our Great Dane, Scooby, was his sidekick. His gift of talking to anyone was absolutely amazing. We often referred to him as Chatty Cathy. He was a devoted gym rat and loved to help others in their journey of fitness. He loved to prank his family, especially his wife. He would go out of his way to help anyone with whatever need they had.

In addition to his wife, he is survived by his son Nicholas P. Kreiser of Myerstown; daughters Amber J. wife of Josh Overdier of Lebanon and Chivon M. Sechrist fiancée of Jeremy Miller of Palmyra; and his four grandchildren: Skyelin, Lexi, Caeden and Bella.

“ *Oh Rich what can I say?
We met at Pennhurst and developed a strong bond. Your laugh when I told you what I said to the one customer and his response, will stay in my head forever.
You took his comment and made it our signature.
C4Boom.
And our inside joke about sasquach.
I will hold our talks and time together close to my heart always.
You will be thought of often and never forgotten.

“ Met Rich around 81/82 as he was friends with my older brother Gene. Him, Short, Kiskat, Eddie would all come to the house in the morning for school. Worked with him at the drive in. Gave him the nickname Jabber Jaws cause he enjoyed to talk. He will be missed,

“ Rich and I met at the gym and bonded over motorcycles. I always enjoyed our conversations and he taught me a lot about riding and helped with my confidence.
