“ I just heard the sad news. I am one of Bob customers. Bob was one of the best people I ever met in my life. Very pleasant to meet, very helpful, always smiling, and always make you feel special. He loved his job and was very loyal to DAS. He helped me in my store like he was a partner. I felt his honesty in every move. When I was at the trade show, he gave me a company like a close friend and helped me feeling welcome in every minute. I am definitely going to miss him. RIP my friend, and may God comfort your dad and everyone in your family.

“ Bob was one of my favorite sales guys here at DAS. He would always come in with a smile, and high-fives for us all. He was always willing to help, and was always appreciative of what we did for him. The most recent thing was he helped me stuff envelopes for two hours prior to our company trade show, and we had a good time with it. I don't think I ever heard an unkind word from him. I would love to kid with him when he'd call. He will be sadly missed here at DAS. RIP, my friend.
