“ To Charlotte and the family of Bob Clemens. We could never name all the good memories we have had with Bob and Charlotte. They were our favorite neighbors, attended the same church and Bob worked for Denny when he had his landscaping business. The pay was breakfast. Bob never wanted paid. He helped us build our humble home We still have his name on the wall. We loved going out to eat with them and one morning at breakfast Bob poured his milk on his pancakes and with a grin on his face he looked around and saw Denny laughing and he said "Ditzler you never miss anything". Bob started laughing and so did we.

Now for the serious life is not all fun and giggles. We have been through their cancers, and my heart disease and always stayed best friends. Even now. To his family we are so sorry, I can imagine, I just lost my mom about a month ago on the other hand we know he is in a way better place with no pain and we will see him again. Our sympathy is with your family as you go through this. Barb Ditzler.

“ Charlotte and family, I'm so sorry to read of Bob's passing. I have many memories when I worked with Bob at RCA in Shipping and Receiving when he was our "leader". He would do anything to help get the job done and was respected by all that came in contact with him. My thought and prayers are ith you at this time.
