“ Always my brother...Always my friend...I was blessed to have you in my life, and call you "brother" for 60 years. We had our share of good and bad times, ups and downs, smiles and tears. Can't help but think of the song, "We had joy, we had fun, we had seasons in the sun"...Thanks for always being there for me. I will miss our phone calls. But even more, i will miss you forever. God bless your dear soul. RIP. Love you bro.
