*His favorite story with me is when Steve and Terri lived in Carlisle PA, he came to the door and I didn't let him in because I thought he was a stranger. Terri came to the door to explain he wasn't. Started off as a stranger and he became another father to me, our, and my families.*

*Put God and Jesus (forgive, be selfless) first so you LIVE after you leave Earth.*

“ Pat and family, So sad to hear about Bob’s passing. I have so many fond memories of Bob, it’s hard to know where to start. Bob was kind and gentle when you needed his cherished friendship, he was funny with a quick wit, and could always make you smile. Bob was true to his convictions, and always stood his ground, and gave you the courage to do the same. Our family and especially our daughter Kim will always have a spot in our hearts for our good friend and second father. RIP our friend, and May God be with you til we meet again! Our Love to you today and always, The Francis Family

Pat, I send all my love to you and your family at this difficult time and want you to know how much I love you and Bob. You have been part of my life since I was 5, and I have been so very blessed to know you both. Bob was so kind, and had a big heart. He was always there to tell you a story or pass along his words of wisdom. He taught me a lot in the years I have known him. Those memories will forever be cherished. Rest easy Bob, I look forward to seeing you again someday. ❤️❤️
