“ Dear Janet and family, On behalf of our neighborhood Bob showed us all how to be a good neighbor. When we moved to the neighborhood, Bob was the first to greet us with B H pizzas and a smile. Bob and Janet know everyone and love to work outdoors. They always have time to talk to and listen to neighbors. Bob was a great encourager and always ready to lend a helping hand. Although we will miss him immensely, he has taught all of us how to 'Love your neighbor as yourself.'

“ Bob never sat still as we all know. One weekend visit at my house, Bob insisted that we detail my RV. I wanted to be lazy but there was no way that Bob would take no for an answer. My camper never looked better! What a giver he was. Heaven will be better for his presence. Robyn Miller
