“ Sorry that we have lost Bob I hope he is in a better place Bob played such a huge part of my youth he taught me so much about baseball, hunting and the outdoors some of my fondest childhood memories were trips to the cabin and just sitting on the deck or in the kitchen with Bob and my dad telling jokes and stories.. I still use some of Bob jokes today just great times my thoughts are with Tonya Travis and Sam if any of you need anything you know where to find me.. I will never forget Bob- Ryan

“ Not everyone appreciated his sense of humor. Bob loved telling off the wall jokes just to see the reactions of the gals around him. Underneath his tough exterior, he had the biggest heart and was willing to do anything for his family and friends. 🙏❤️

“ I had the privilege of playing midget baseball with Bob. My favorite memory was him hitting a walk off homerun in our televised game on WLYH. I was on deck and he took the stage. God Bless.
