

Roberta Jean "Bobbi" Angus

March 16, 1952 - January 14, 2025

Roberta Jean (nee Hospodar) Angus, daughter of the late George and Eunice Hospodar (Bates) of Mount Kisco, NY left this world to reunite with those who have gone before her on January 14, 2025 in Lebanon, PA.

Roberta, better known to all as Bobbi, was born in Mt. Kisco, NY, on March 16, 1952. Bobbi was predeceased by her beloved husband David G. Angus, who passed on November 13, 2022.

Bobbi is survived by son, William Angus (Jayne David) of Barto, PA two grandsons, Christopher and Phillip Angus, niece, Amy Mikolay (Michael) of New Fairfield, CT, great-nieces Rachel Mikolay and Madeline Hart, and great-nephew Cooper Mikolay. Not to be forgotten, Bobbi leaves behind countless lifelong friends and neighbors who were very much her family.

Bobbi and David enjoyed a full and active life together in North Salem, NY for many years before deciding in 2006 they would move to Lebanon, PA to enjoy being closer to William and his family.

Together they hosted many family and friends over the course of their years in Lebanon, always with an open door, well-planned adventures, an abundance of food, lively conversations and countless laughs.

Bobbi enjoyed yearly road trips alongside David visiting friends near and far. Her vast collection of photographs are proof of a life well lived and enjoyed.

Most would say that Bobbi would be best known for her love of children. She treated all children with immense love and generosity. Over the years, she and David attended countless sporting events, recitals, plays, concerts, and riding competitions celebrating these children achievements. She graciously supported many fundraisers over the years.

A celebration of Bobbi's life and love will be planned later in the year when she and her beloved David will be laid to rest in New York.
