“ Bro This journey wasn't supposed to end. Seriously? The shit we have seen and done and you go out like this? Not cool. This wound runs deep brother and I curse that you were too proud to talk about it but your memory will keep trucking my friend and Feb 8th at high noon. The horns will reach out to you. Always family on the highest mountain. We've seen it all ups and downs. Times I wanted to smack the shit out of ya and times I was so grateful for ya. Endless journeys to California, down to Miami Beach and as far north to New Hampshire. Loretta's bar, barstow truck wash, or trash spots like Johnny's or can't forget our game of where is Rodney sleeping tonight. Behind the wawa. And coyotes bar in Florida that oh God we regretted the next day. Well we're gonna back on out now because some of us have miles to do must be nice to just take the time off. 10-4 centerfield mash that motor haven't seen a thing so put that Star in the big hole and gouge on it..Peace brother
