“ Ronnie,

I, your first wife, was elated to have you ask me to come back into your life again after 52 years, 4 months, and 23 days on August 24, 2022.

Seems like 24 was our number—our marriage date, the date you left for Viet Nam, the date of our first born child, and the date you asked me to come back into your life. My heart is heavy with grief, and I miss you very much. Wish we could have had more time together; but you are no longer suffering and are at peace. Until we meet again.

*Love,
Eileen*
