“ I have known Ron for many years. I would see him on Sunday mornings at the Union Hose social club. In fact 2 weeks ago he and I sat next to each other and shot the bull at the club.

Ron would come in for breakfast, even though I don't think he ever ordered breakfast. He would come in and order a Yuengling Lager and sit and talk to whomever he sat next to.

He was known to us as Lager Ron.

He wished me a Merry Christmas and I returned the gesture even though I told him I would probably see him again before Christmas.

You will be missed Lager Ron.
