“ Oh Dad, I miss you so much! I know you're in heaven a far better place with all it's beauty, among our heavenly family and free from all that took you from us. I know it's all part of God's great plan but knowing that doesn't help my broken heart at least not now. I will always love you and miss you Dad ... until we're face to face again, in my heart you'll always be.
