“ To the Wilhelm Family, You are in my thoughts and prayers. AJ was a good man and even a better friend. He was like a big brother to me. He would call me just to tell me a joke or call me some silly name he made up. He could always make me smile. He was one of a kind and I will miss him very much. Rest in peace my Brother.

“ To the family; I'm am so so saddened by this and so thankful I got to talk to AJ the last several weeks up at the Casino. Whenever we would run into each other we always talked about years gone by and all the good times we had back in the day. I consider myself fortunate to have been a friend of his and will always cherish the memories we had. He was truly a great guy. May all of you find comfort in each other, friends and family and know that I am thinking of all of you during this very difficult time. RIP my friend.

We know he has left tons of wonderful memories for his family and friends. That's not the same as being here, but we hope it lessens the pain felt by his loss. You are in our prayers.
