“ My Mom! I know I gave her grief as I was growing up. It wasn't until I got older and had children of my own that I realized how hard she worked. She always made sure we were taken care of. I thought she was a little strict but it was always in our best interest to keep us safe and raise us to be kind and good adults. ... even though we didn't know it at the time! I will forever miss you mom!! Give Nan and papa hugs and kisses! Oh and aunt Cora too!
