“ Rose was my 2nd mom. I have so many wonderful memories of her as a child growing up on the Gap. She used to tell me and Debbie some awesome bedtime stories and she would tell them off the cuff..just as she went along. She would have us laughing hysterically in no time at all. Learned to make her Chocolate Cake with Peanut Butter frosting and her Hamburger Barbecue. So good! My condolences to all of the family. She loved her children and grandchildren and would always have memories to share about each and every one. She was a true gem!
