“ Dear Linda, I was really sorry to hear, first of Sam's disease, and now more so to know of his passing. I regret I could not have spent a few more occasions with him but the distance between us made that difficult. I especially miss those occasional rounds of golf we enjoyed. Sam made it possible for me to have a smile that others noticed because of the quality of his work. I'll not forget that and have told many of his skill as a dentist. May you rest easier now that Sam and you no longer need suffer the plight of that dreaded illness. Know that I offer my prayers for him and you. Be well. Regards, Ray Mest

“ Linda, We want Jeff, Trish and their families we are thinking of you all during this difficult time. We knew that Sam and all of you were suffering from the awful disease he was dealing with. Sam was a wonderful fun man who we got to meet during our children's band years at Wilson. It was never dull when Sam was in the middle of the crowd. Our band years are such a wonderful memory. God Bless
