“ We never had the pleasure of meeting you; however, we have heard only good things. Obviously you are the person who made your beautiful daughter, Sue, such a strong person.

“ Bill: My deep sympathy for your loss of Sandra. Although I met her only once at your house, I appreciated her great concern for her pets and the welfare of animals in general, one that I share. She was a kind and caring person. And I know, too, how great you were in your care of her and your concern for her. Best regards, John Norton
