“ I first met Sara at Vista Autism Services when I started on April 4 2022. Sara and I would go places together when I was in a group with her. I will miss singing to songs from "Wicked" with her and I will miss her bright and sassy personality. Rest easy, my friend. Until we meet again in heaven one day.

“ Sara was a student of mine when she was 5 to 7 years old. I have very fine memories of her noodle blonde curls and her infectious smile. She was a pleasure to have in the classroom. This breaks my heart. Condolences to her parents.

“ Dear families,
We will always think of Sara fondly, remembering her festive outfits for weddings and birthday times, her love of music and dancing. She wrote precious thank you notes for gifts and times together. We think of the way she greeted us each time we came to gatherings with you.

You have helped her share joy with so many, and for that we are thankful.

May the Holy Spirit, the Comforter, draw near to you now and in days to come.
