“ Dear Rick, Joan and Ann, We loved your mom dearly. I credit her with teaching me how to bake during the summers when I visited Annville as a kid. She went out of the way to be surrogate Mom to me after my own mother died...never forgetting a birthday or holiday. Evan enjoyed the times we got to spend with her and she always expressed interest in his academic pursuits. I know how proud she was of all of you and of her grandchildren. She will be missed. Love, Lisa and Evan

“ Dear Joan, Rick, and Ann and family, My thoughts and prayers are with you all. We all love Sara because she loved us. She always made Ken an angel Food cake and Paul on their birthdays. I wear a sweater she made Ken many years ago, and think of her each time. I'm sorry that I had not know she got so ill.(consequences of being so far away. Lots of love, Barbara
