“ Joanne & Family, I was so sorry to hear of Scott's passing. I had the pleasure of meeting Scott at HACC in Lebanon while attending a class for medical insurance. My friend, Donna Clauser, and I sat right behind Scott in class. We enjoyed his witty sense of humor and since he was the only man in the class we felt protected as we left the building to walk to our cars with him by our side. I sent him numerous e-mails while I was taking my coding classes since I knew he already had completed his. He had informed me that he would be in our insurance class in September. We were so looking forward to that class because he would of made it more enjoyable. Please accept our deepest sympathy. Our hearts go out to you and your family at this difficult time. I am sure Scott's memories will live close to your hearts forever. Lori Findley and Donna Clauser

“ Although, I only knew Scott a few hours of the day motorcycle trip we took to State College, I thought him to be a quiet, but a very nice person. He seemed to be enjoying himself, along with the rest of our group, before the accident. Scott will be missed as fellow motorcyclist and group friend and we wish him "God speed" to a better place.
