Im so sorry for your loss, and prayers for your family. I never spoke much to Scott when growing up, but he always had time to wave from one of his big truck's and always a peaceful hello in passing.

What wonderful pics and memories! I was good friends with Scott for many years; he was such a good guy, and I was so happy for him when he married Diane. The pics with his monster truck, Witness, brought back fun memories! Sorry I am away.
