“ No matter who I am related to, this man was a part of my past and my kids past. No one deserves to leave this earth so young or in such a heartbreaking way. I am so sorry to see that his time is up to show the world the change he made. Thankfully his family will allow his change to live on. The moments we shared as a family, being my brother in law, will always be a part of me, and I'm thankful for that. I am truly sorry for all his family. I can not begin to imagine the hurt everyone is feeling.
