“ *Sheila was the most wonderful neighbor a person could ever ask for. She took great care of her property which always looked immaculate. When she was able, she worked tirelessly tending her flowers which added a beautiful display of color to our street. Sheila was a genuinely kind person who would have helped anyone who needed her. She had a deep love for her family and her girls were her pride and joy. She loved sharing their experiences with us. Our hearts are saddened by losing our dear friend and neighbor. She will be sorely missed.*

*Sincerely,
