“ *Thank you Sherry for letting me be apart of your crazy life. From many hairapy sessions to wedding shopping, airport trips to send the Aussie family home, watching your children grow into awesome hard working adults, you and Bob becoming grandparents, and many many more. “ *Sherry lived and worked on our dairyfarm in Australia , soon becoming our American daughter, remaining in our lives forever. What an honour and surprise when she named Royell. On our visits we instantly felt the warmth and love in her home and with her family. She and Bob made a great team, working and loving life together. Gone too soon, but forever in so many people's hearts. She lives on in her children, may all take comfort in that and know she will be watching over them from above.*
