“ *My wonderful aunt Shirley. She was one of the greatest women I've ever known. She was always helping others never expected anything in return. I'm grateful that I was always close to her and that my daughter was able to know her and love her. The last time I saw her she told me how much she liked this picture of her meeting Addison for the first time. I'll miss her smile, her laughter and so many other things about her.*

“ *My mom has always been the strongest most selfless person I know; always putting her kids/grandkids/great grandkids before herself. She was know affectionately as Nanny to hundreds of children over the years. She is home with the Lord, with her parents and siblings. She has a new body in Christ and is no longer suffering. Mom, I love you and will miss you every second of every day, but I will see you again.*
