“ *To the family and friends of Shirley Wickham I am sorry for your loss. Death is never easy to experience especially when it is someone so young with their growing future ahead of them. When we pray the Lord's Prayer and ask for God's Kingdom to come and his will to be done on earth as it is in heaven (Matthew 6:10), we are asking for God to rid the earth of crime, violence, sickness, and even death. (Revelations 21:3,4) I have found this to be comforting when trying to cope with loved ones that I have lost. I hope that you all will also find comfort from the scriptures as I have. It is said at Romans 15:4, "For all the things that were written aforetime were written for our instruction that through our endurance and through the comfort from the Scriptures we might have hope."
