“ *We remember Stan and you(Millie) as the sweet couple down the lane from us at Swatara. Loving life and camping and visiting along our walks throughout the day. We were sad to see you need to pack up and finish your seasonal camping. You both stopped by our camper and asked if Jim could fit into Stan’s Swatara camping jacket! It was great. We will always treasure and remember you both when Jim wears it and passes it on when the time comes for us to pack up!! We miss you and know you miss Stan. 💕 Love, hugs and prayers, Jim & Linda

“ When my brother and I were born, Uncle Stanley was still a teenager. He called us Sapphire and Andy, I suppose after characters on the old Amos 'n' Andy tv show. He loved to play, really play, with us! Aunt Millie, you fit right in when you joined the family. We always looked forward to our trips to Annville! When "Suzie, Mike and Stevie" came along, I loved playing big cousin to you at Grandma Light's house. Even though I moved away long ago, you are all in my heart. I am proud to be a Light, and thankful for my Uncle Stanley. His was a life well lived. Paula (Light) Darby

“ Millie & Family,
We are so sad to hear of Stan's passing. We have many fond memories of him at Camp Swatara and are thankful to have had the opportunity to know Stan. We will miss his funny jokes and stories around the campfire. We also will remember how wonderful he was at maintaining the golf course at the campground. He kept it in tip top shape and made it a beautiful addition to Camp. We will continue to lift you in prayer in the days ahead.
