“ *The Shultz Family enjoyed many many summer picnics and family events on 3rd Avenue with Stan, Florence and Dianne. Many good times. We all were members of St. Luke's Church and did many church activities together. I always remember getting a big smile and a hug from Stan after every church service even when I moved away from Lebanon. Every time came home for a visit I got my big hug and warm smile from Stan. Actually have known Stan all my life. Wow Stan 100 years that is amazing!! Much Love

“ *A consummate gentleman, and I remember watching baseball with him at the beach. He obviously lived an amazing, rich life, and I know he'll be missed tremendously. All my comfort and sympathy to his family, who I know are grieving. "Banko" can't wait to jump up and give him lots of kisses in heaven*

I have known Stan since 1961. He was my boss and friend when I worked at First National Bank. I then got to work with him again when we worked together at People's National Bank. He will always have a special place in my heart. He was a great cook and baker. He always made me pumpkin cupcakes with cream cheese icing. May he rest in peace. ❤️❤️

“ *Stan was a wonderful person, friend, and a great Sertoman. I served with him and he was an Outstanding Club Secretary and District and Regional Secretary for our Sertoma Allegheny Region! You could always count on Stan to be there with his friendly smile and to do a great job. God Bless Florence, Dianne and his family.*
