*I know that words cannot take away the pain, but please know that you and your family are in our thoughts and prayers. I still remember the fun we had in high school and Stan's El Camino. I'm really sorry that I was unable to attend the service.*

“ I am so very sorry to learn of Stanley's passing. As kids, we grew up together in Rheems, enjoying many hours of sledding on the "Trop" hill and in Espanshade's pasture across from my house. Stanley always had a smile and was very kind to everyone. We lost touch over the years but we did cross paths several years ago and were able to catch up a bit! RIP Stanley! My sympathies and condolences to his family.

*He was taken too soon, there should have been many more years with his family. He was only one of three cousins, and as children, we shared so many fun memories of just playing, but also the steam engine conventions in Lancaster, or as young adults just sitting and vegging...always talking. Our family were the best "talkers".....lots and loud. He had such a good laugh. Humankind minus one. Evie/Ron*
