“ *All of us at work were saddened and shocked to hear of Steve's passing. He was a great colleague, mentor, and friend who will be truly missed. We've been telling 'Steve stories' since he passed; we remember his love of Christmas Carols/singing in general, and his incredible knowledge of facts and trivia. But he was most proud of his family; he loved his wife dearly and was a proud father and grandfather. We know Steve's family's hearts are broken like ours are, and our thoughts and prayers are with you.*
